Insurance Cover Application Form

All questions on this form are relevant as to whether or not AIA Australia Limited (ABN 79 004 837 861) (insurer) offers you insurance and, if so, on what terms. Consequently, all questions must be answered correctly and completely. Block letters should be used. A dash is not acceptable. Please use Section I, or attach additional pages if there is insufficient room to provide full information for any question.

Where the words 'we', 'us', 'our' and 'insurer' appear they refer to AIA Australia Limited ABN 79 004 837 861 AFSL 230043.

Before signing this Insurance Cover Application Form, please ensure that you have read the relevant Product Disclosure Statement (PDS) and current Additional Information Booklet (AIB) from the Fund.

About this application

The life insurance policy being applied for with this application is a consumer insurance contract within the meaning of the Insurance Contracts Act 1984 (Cth). When you apply for life insurance, we conduct a process called underwriting. It's how we decide whether we can cover you, and if so, on what terms and at what cost.

We will ask questions we need to know the answers to. These will be about your personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance. The information you give us in response to our questions is vital to our decision.

Duty to take reasonable care

Before you enter into a life insurance contract, you have a legal duty to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty applies to a new contract of insurance and also applies when extending or making changes to existing insurance, and reinstating insurance.

When you apply for life insurance, we conduct a process called underwriting. It's how we decide whether we can cover you, and if so, on what terms and at what cost.

We will ask questions we need to know the answers to. These will be about your personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance. The information you give us in response to our questions is vital to our decision.

If you do not meet your duty

If you do not meet your legal duty, this can have serious impacts on your insurance. There are different remedies that may be available to us. These are set out in the Insurance Contracts Act 1984 (Cth). These are intended to put us in the position we would have been in if the duty had been met.

Your cover could be avoided (treated as if it never existed), or its terms may be varied. This may also result in a claim being declined or a benefit being reduced.

Please note that there may be circumstances where we later investigate whether the information given to us was true. For example, we may do this when a claim is made.

Before we exercise any of these remedies, we will explain our reasons and what you can do if you disagree.

Guidance for answering our questions

You are responsible for the information provided to us. When answering our questions, please:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond.
- Answer every question.
- Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it.
- Review your application carefully before it is submitted. If someone else helped prepare your application (for example, your adviser), please check every answer (and if necessary, make any corrections) before the application is submitted.

Changes before your cover starts

Before your cover starts, we may ask about any changes that mean you would now answer our questions differently. As any changes might require further assessment or investigation, it could save time if you let us know about any changes when they happen.

If you need help

It's important that you understand this information and the questions we ask. Ask us or a person you trust, such as your adviser for help if you have difficulty understanding the process of buying insurance or answering our questions.

If you're having difficulty due to a disability, understanding English or for any other reason, we're here to help. If you want, you can have a support person you trust with you.

Notifying the insurer

If, after the cover starts, you think you may not have met your duty, please contact us immediately and we'll let you know whether it has any impact on the cover.

Notes on releasing information about your health

Your health information includes details about all your interactions with health providers, and may include details such as your symptoms, treatment, consultations, personal medical history and lifestyle. Health providers cannot release this information about you without your consent.

We collect and use your health information to assess your application for cover, to assess and manage your claim, or to confirm the information you gave us when you applied for cover or made a claim. This is why we need your consent.

Each time you apply for cover or make a claim, we will ask you for a fresh consent. We will respect your privacy by only asking for the information we reasonably need, and we will tell you each time we use your consent.

Even if we collect information from health providers (such as your General Practitioner), before the insurance starts you must still tell us every matter (including about your health) that is relevant to our decision about whether to offer you insurance, and if so, on what terms.

Please read each Authority carefully and the explanatory notes below

Authority 1 explanatory notes - through this Authority, with the exception of a copy of the consultation notes held by your General Practitioner/Practice, you are consenting to any health provider releasing any health information about you in the form we ask for. This may involve, for example:

- accessing and releasing your records in SafeScript;
- releasing your hospital patient notes;
- releasing the results of any investigations they have done; and/or;

- the report provided is incomplete, or contains inconsistencies or inaccuracies.

Your General Practitioner maintains consultation notes to support quality care, your wellbeing and to meet legal and professional requirements. General Practitioners/Practices should only release a copy of your full record, including consultation notes, for life insurance purposes in the rare circumstances set out above.

If you choose to withhold your consent to this authority, we may not be able to process your application for cover or a claim.

Authority 1 - to release to release any of my health information except the consultation notes held by my General Practitioner/Practice

With the exception of consultation notes held by any General Practitioner/Practice I have attended, I authorise any health provider, practitioner, practice, psychologist, dentist, allied health services provider or any hospital to access and release, in writing or verbally, any details of my health information to the insurer, or to third parties they engage.
