Your Future Your Super Underperformance Notice to Members

Hello ,

Your superannuation product, **AMG MySuper** made available through **AMG Super ABN 30 099 320 583** ('AMG Super'), has performed poorly under an annual performance test that was introduced by the Australian Government to make sure Australians are getting the most out of their super. As a result, we are required to write to you and suggest that you consider moving your money into a different superannuation product.

You currently have \$ invested with AMG Super. In the last year you paid \$ in total fees and costs for your account with AMG Super.

Switching to a different super product is easy, and there are no fees involved.

By switching into a better performing product, you can potentially save thousands of dollars more for retirement. For example, by earning 1% higher net return over a 30-year period, you could be 20% better off at retirement.

Using the Australian Government's YourSuper comparison tool you will be able to compare the fees and returns of all MySuper products. Go to ato.gov.au/yoursuper or the QR code below:

Your questions answered

Why have I received this letter?

The Australian Government has introduced an annual performance test of superannuation products to make sure Australians are getting the most out of their super.

The purpose of this letter is to notify you of the poor performance of your superannuation product and to provide you with information to help you decide whether you want to stay with your current product or choose a better performing product.

Even a small difference in performance can make a big difference at retirement.

What is the annual performance test?

The annual performance test assesses the returns of your product (after your super fund deducts fees) over the last eight years. The test compares the returns your product delivered with the returns that a comparable product would have delivered over the same period.

Products that fail this test are required to notify their members.

You can find out more about superannuation at moneysmart.gov.au.

Additional information

AMG MySuper option closure

Effective 19 August 2022 the AMG MySuper option closed to new members. Existing members currently invested in the AMG MySuper option will remain invested in the option and can continue to make additional contributions. If you fully switch out of the AMG MySuper option, you will not be able to switch back into the option.

Insurance

Your insurance cover is not affected by the closure of the AMG MySuper option to new members. If you move your total super balance out of AMG Super to another super fund, your insurance cover in AMG Super will terminate.

Financial advice

The Trustee recommends that you obtain financial advice from a suitably qualified and licensed financial adviser before you make any decision regarding your superannuation.

Future performance

Past performance is not a reliable indicator of future performance.

Should you have any questions regarding this notice or your account, please contact your adviser or our Client Service Team on 1300 264 264, or via email to info@amgsuper.com.au.

Yours sincerely,
