Significant Event Notice: Change of super product and administration platform

Dear «GivenNames» «FamilyName»,

This Significant Event Notice (Notice) is in relation to your AMG Corporate Super account. This Notice has been prepared by the Promoter of AMG Super ABN 30 099 320 583 (Fund), Acclaim Management Group Limited ABN 52 091 082 058 (Acclaim, we, us, our), on behalf of the Trustee, Equity Trustees Superannuation Limited ABN 50 055 641 757, RSE Licence No. L0001458, AFSL 229757 (Trustee).

We are pleased to announce that effective 8 April 2024 members accounts that are currently administered via an online service known as MySuperSolution will migrate to Acclaim Online, our new online service. Acclaim Online provides members with increased functionality not currently available through the MySuperSolution service.

Why has the decision to migrate member accounts to Acclaim Online been made?

The decision to migrate existing account holders to Acclaim Online has been made to improve member's experience with their super account. Acclaim Online provides members and their advisers (if applicable) with improved reporting tools, online communication, and self-service functionality.

Will there be any other modifications to my account aside from transferring it to Acclaim Online?

Apart from transferring current accounts to Acclaim Online, the Fund will also consolidate its product range. As a result of this consolidation, the AMG Corporate Super product will no longer be available. Your AMG Corporate Super account will be moved to another product, Acclaim Core Super. We urge you to read this Notice wholly to comprehend the effects on your superannuation account which includes changes to fees and costs, how tax deduction benefits are treated, and available investment options.

What led to the decision of consolidating the Fund's product range?

The consolidation aims to bring about positive changes such as lowered fees for many account holders and decreased overall expenses for the Fund.

Will I be issued with a new member number?

Your member number will remain the same, but in Acclaim Online it is referred to as your "Account Number" or "Account ID". You will also be issued with a Client ID, which is used when you login to Acclaim Online. On 8 April 2024 we will send you an email (or letter if applicable) welcoming you to Acclaim Online which will contain your new Client ID.

Will there be a change to my fees?

On migration there will be some changes to fees and costs applicable to your account including:

- A reduction in the amount of percentage-based administration fees.
- Certain fees and costs that currently apply to AMG Corporate Super account holders will no longer apply after migration. For example, fees and costs applicable to Term Deposits will not apply. This is because Acclaim Core Super does not offer Term Deposit options.
- Percentage-based administration fees will be calculated and deducted based on the average daily balance throughout the month, rather than the balance at the end of the month.
- The 0.12% p.a. investment fees and cost applicable to AMG investment options will be calculated and deducted based on the average daily balance throughout the month, rather than the balance at the end of the month.

A fees and costs table has been included below which summarises the current fees applicable to AMG Corporate Super account holders and what they will change to after the migration. **If a reduced administration fee has been negotiated by your employer, it will continue to apply after the migration.**

If, however, you have any cash balances in the DDH Graham Advantage Cash Fund or Cash Management Account they will be invested in the AMG Cash Option at migration. The tables below provide further information about the AMG Cash Option including applicable fees and costs. You can also view historical investment performance for the AMG Cash Option, DDH Graham Advantage Cash Fund and Cash Management Account on our website www.acclaimwealth.com.au/investments. Please note that historical performance is not an indicator of future performance. We recommend that you obtain financial advice from a suitably qualified and licensed financial adviser before you make any decision regarding your superannuation investments.

If you would like your cash balances invested in an alternative option, you can do so by completing an investment switch form available from our website www.acclaimwealth.com.au/product-documents. After the migration you will only have access to AMG investment options. You can view further information about these options including their past performance at www.acclaimwealth.com.au/investments.

However, if you have an adviser, you can apply for an Acclaim Super account which has a wider investment menu including, access to listed securities, managed funds and term deposits. Any tailored employer plan arrangements you have for fees and insurance will transfer with you to Acclaim Super.

What transaction history will I be able to view after the migration?

Following the migration, your account's transaction history dating back to 1 July 2020 will be accessible. If you require access to transaction data before this date, contact us at 1300 264 264 to make a request. A paper or electronic copy of your transaction history can be sent to you free of charge.

What, if any, transaction freeze period will apply?

A freeze period will commence from 5:00pm, 15 March 2024 and end 5:00pm, 5 April 2024.

The following transactions cannot be processed during the freeze period.

- Contributions, rollovers in, rollovers out and withdrawals
- Investment option changes

Whilst we will continue to accept these transactions during the specified period, please be aware that these transactions will not be processed until the freeze period ends. Processing of all the above transactions is expected to resume on 8 April 2024. If you wish to request any of these transactions, it is recommended that you do so before 5:00pm on 15 March 2024. Otherwise, you will need to wait until after 8 April 2024 before these transactions will be processed.

If you make a change to your investment options during the freeze period, the transaction will be executed based on the relevant unit price at the time of processing, not the unit price at the time you made the request for the investment option change.

Why is there a transaction freeze period?

It is crucial to execute the migration of accounts to Acclaim Online in a deliberate and well-coordinated approach. The process involves a considerable amount of data that requires reconciliation and verification to ensure a seamless service to members and data integrity in the long run. To achieve an accurate and complete transfer of records, a transaction freeze period is necessary.

We appreciate that the inability to carry out specific transactions is an inconvenience, and we have tried to keep the freeze period as brief as possible.

Will there be any changes to my beneficiary nominations?

All binding and non-binding beneficiary nominations will continue to apply on the same basis as your original instructions. If you wish to amend your nominations, please phone 1300 264 264 or you can access the form relevant to your type of nomination at www.acclaimwealth.com.au/product-documents.

Please note that whilst we will accept your request to amend your beneficiary nominations during the freeze period, your request will not be processed until the freeze period ends.

How does the transaction freeze period impact my employer contributions?

We will continue to accept employer contributions during the freeze period. Please be aware that any contributions received during the freeze period will not be allocated to your account or invested until the freeze period ends.

Will there be any changes to BPAY details for voluntary contributions?

New BPAY details will apply to contributions being made after the migration. When you receive your new login details, you will be able to view your unique BPAY details on your Acclaim Online account.

How does this migration impact my direct debit arrangement to make contributions?

During the freeze period, any existing direct debits for contributions will be temporarily paused but will resume on 8 April 2024. Contributions will continue to be made on the same schedule as before migration once the freeze period ends.

Do I need to inform my employer of anything specified in this Notice?

As a result of the transition of your product from AMG Corporate Super to Acclaim Core Super, the USI associated with your account will change. ***It is important that you notify your employer about this change to ensure contributions are directed to the correct account and avoid any disruptions or delays in the contribution process.***

The USI for Acclaim Core Super is ETL0196AU. We recommend you notify your employer of this change immediately. You can also access a copy of the Standard Choice Form on our website at www.acclaimwealth.com.au/product-documents.

Your employer can continue to make contributions until migration. However, after migration, your employer must utilise the USI referenced above for subsequent transactions. As noted earlier, any contributions received during the freeze period will not be allocated to your account or invested until the freeze period ends.

When will the migration take place?

It is expected that the transition to Acclaim Online will take place on 8 April 2024. A schedule of important events related to the migration is provided below:
