Performance values noted above are calculated using month end redemption unit prices.

Returns for the AMG investment options (excluding the AMG MySuper option) are calculated after allowing for indirect investment management costs, transaction costs and tax. Returns for the AMG MySuper option are calculated net of direct and indirect investment fees and costs, percentage based administration fees and tax.

The investment fees and costs noted above apply to members who have invested in the AMG investment options through Acclaim Super & Pension. For more detailed information about fees and costs, please refer to the current product disclosure statement that relates to your membership in the Fund.

The AMG MySuper option is now terminated.

Important Information about Transition to Retirement (TTR) Performance: Investment earnings on 'Transition to Retirement' pension products which were tax exempt are now subject to up to 15% tax due to changes in legislation effective 1 July 2017. The impact of this tax change is an effect on TTR product's investment performance between a pre and post 1 July investment.

If you joined an AMG Super TTR product before 1 July 2017 then:

- Pre 1 July 2017 performance – Acclaim Pension, AMG Personal Pension and Acclaim Core Pension returns are relevant
- Post 1 July 2017 performance – Acclaim Super, AMG Personal Super, AMG Corporate Super and Acclaim Core Super returns are relevant

If you joined an AMG Super TTR product from 1 July 2017 then accumulation performance included under 'Acclaim Super, and Acclaim Core Super, AMG Personal Super, and AMG Corporate Super returns only, is relevant to you.

Past performance is not a reliable indicator of future performance.
